

Progetto per il Laboratorio di Architetture Software e Sicurezza Informatica

Roberto Falconi, Salvatore Licitra

User Stories

1. As an unregistered user, I want to sign up with username, e-mail and password so that I can become a user
2. As an unregistered user, I want to login with username or e-mail so that I can become a user
3. As a user, I want to have a personal profile so that I can logout from my session
4. As a user, I want to have settings so that I can restore my password if I lost it
5. As a user, I want to have a personal profile so that I can change my username
6. As a user, I want to have a personal profile so that I can change my e-mail
7. As a user, I want to have a personal profile so that I can change my password
8. As a user, I want to have a personal profile so that I can delete my account
9. As a user, I want to have a personal profile so that I can see my username in homepage
10. As a user, I want to have a personal profile so that I can subscribe to mailing list
11. As a user, I want to use the cryptography algorithm so that I can type an encryption key
12. As an unregistered user, I want to use the cryptography algorithm so that I can use an auto-generated encryption key
13. As a user, I want to use the cryptography algorithm so that I can get tips about choosing a good encryption key
14. As a user, I want to use the cryptography algorithm so that I can see the weakness of my personal encryption key
15. As a user, I want to use the cryptography algorithm so that I can encrypt unlimited characters
16. As an unregistered user, I want to use the cryptography algorithm so that I can see how many characters left to be encrypted
17. As an unregistered user, I want to use the cryptography algorithm so that I can set a time-out to a message to be decrypted
18. As an unregistered user, I want to use the cryptography algorithm so that I can download the encrypted message in a text file
19. As an unregistered user, I want to use the cryptography algorithm so that I can upload the encrypted message from a text file
20. As an unregistered user, I want to use the cryptography algorithm so that I can encrypt a message
21. As an unregistered user, I want to use the cryptography algorithm so that I can decrypt a message
22. As an unregistered user, I want to use QR Code so that I can transfer my encrypted message on my phone

23. As an unregistered user, I want to use the cryptography algorithm so that I can generate a QR Code with the encrypted message
24. As an unregistered user, I want to use the cryptography algorithm so that I can download the generated QR Code
25. As an unregistered user, I want to use the cryptography algorithm so that I can upload the generated QR Code
26. As an unregistered user, I want to see the F.A.Q. so that I can read it
27. As an unregistered user, I want to see a section About Us so that I can read it
28. As an unregistered user, I want to be able to contact developers thank to a Contact Us section so that I can get assistance or give feedback
29. As an unregistered user, I want to get a warning if the website is under maintenance so that I can know the status of the app
30. As a admin, I want to have special settings so that I can delete users
31. As a admin, I want to have special settings so that I can modify users account
32. As a admin, I want to have special settings so that I can ban users
33. As a admin, I want to have special settings so that I can suspend the website
34. As a admin, I want to have special settings so that I can activate the website
35. As a admin, I want to have a special setting so that I can send newsletters

Mockups
